

TERMS AND CONDITIONS FOR ICT SERVICES

This Agreement (as defined below) is made between (1) **China Telecom (Europe) Limited**, a company incorporated under the laws of England with its registered address at 11th Floor, Exchange Tower, 1 Harbour Exchange Square, London, E14 9GE, United Kingdom (hereinafter “CTE”) and (2) the customer named in the Order Form (**Customer**).

It is agreed as follows:

1 Structure of the agreement

1.1 This agreement (**Agreement**) comprises

- 1.1.1 these General Terms and Conditions;
- 1.1.2 the Operation and Maintenance Terms and Conditions in Schedule 1;
- 1.1.3 the Hire Terms in Schedule 2; and
- 1.1.4 the Order Form.

1.2 If an Order Form specifies any Tangible Deliverable as being leased or hired to the Customer, then the hire of that Tangible Deliverable to the Customer will be the subject of a separate contract between CTE and the Customer on the terms set out in the Hire Agreement and (to the extent that it applies to the relevant Tangible Deliverable) the Order Form (each, a “**Hire Agreement**”). Each Hire Agreement shall last for the period set out in the Hire Terms and/or Order Form and shall be terminable separately from this Agreement.

1.3 If any of these documents is inconsistent with the others, then: (a) if and to the extent that the Tangible Deliverable is being leased or hired by the Customer, subject to clause 1.2 the Hire Terms shall take precedence over all other terms and otherwise the documents will prevail in the descending order set out in clause 1.1 to the extent of the inconsistency (and so that these General Terms and Conditions shall apply to the Hire Agreement only to the extent set out in the Hire Agreement); or (b) otherwise, then unless expressly stated otherwise in the relevant documents, the documents will prevail in the descending order set out in clause 1.1 to the extent of the inconsistency.

1.4 For the avoidance of doubt, the terms and conditions of this Agreement prevail over any inconsistent terms or conditions contained in, or referred to in, the Customer's purchase order, confirmation of order, or specification, or implied by law, trade custom, practice or course of dealing.

2 Deliverable

2.1 Where the Order Form indicates that the Customer is purchasing the Tangible Deliverable then, in consideration of payment of the Tangible Deliverable Charges, the Customer shall purchase, and CTE shall supply, the Tangible Deliverable on the terms and conditions set out in this Agreement. Where the Order Form indicates that the Customer is leasing the Tangible Deliverable then the Customer shall hire,

and CTE shall supply, the Hired Hardware and Asset on the terms and conditions set out in the Hire Agreement.

2.2 Quantity and description

2.2.1 The quantity and description of the Deliverable shall be as set out in the Order Form.

2.2.2 All samples, drawings, descriptive matter, specifications and advertising issued by CTE, and any descriptions or illustrations contained in CTE's marketing materials or brochures are issued or published for illustrative purposes only and they do not form part of this Agreement.

2.2.3 Any typographical, clerical or other error or omission in any sales literature, quotation, price list, acceptance of offer, invoice or other document or information issued by CTE shall be subject to correction without any liability on the part of CTE.

2.2.4 CTE reserves the right (but does not assume the obligation) to make any changes in the specification of the Deliverable which are required to conform with any applicable legislation or, where the Deliverable is to be supplied to the Customer's specification, which do not materially affect their quality or performance.

2.3 Delivery

2.3.1 CTE shall deliver the Tangible Deliverable to the Premises.

2.3.2 CTE shall use its reasonable endeavours to deliver the Tangible Deliverable on the date(s) specified in the Order Form, but any such date is approximate only. If no dates are so specified, delivery shall be within a reasonable time of the Commencement Date. Time is not of the essence as to the delivery of the Tangible Deliverable and CTE is not in any circumstances liable for any delay in delivery, however caused.

2.3.3 The Tangible Deliverable may be delivered by CTE in advance of the quoted delivery date on giving reasonable notice to the Customer.

2.3.4 Delivery shall be made during Normal Business Hours. CTE may levy additional charges for any deliveries made outside

Normal Business at the Customer's request.

2.3.5 CTE shall be responsible for any damage, shortage or loss in transit, provided that:

(A) the Customer notifies it to CTE (or its carrier, if applicable) within three (3) Business Days of delivery of the Tangible Deliverable; and

(B) the Tangible Deliverable has been handled in accordance with CTE's stipulations.

Any remedy under this clause 2.3.5 shall be limited, at the option of CTE, to the replacement or repair of any Tangible Deliverable which is proven to CTE's satisfaction to have been lost or damaged in transit.

2.3.6 CTE may deliver the Tangible Deliverable by separate instalments. Each separate instalment shall be invoiced and paid for in accordance with the provisions of this Agreement. Cancellation or termination by either party of any instalment shall not entitle the Customer to repudiate or cancel any other instalment.

2.4 Title and risk

2.4.1 The Tangible Deliverable shall be at CTE's risk until delivery to the Customer at the Premises.

2.4.2 Ownership of the Tangible Deliverable shall pass to the Customer on the later of completion of delivery (including off-loading) or when CTE has received in full in cleared funds all sums due to it in respect of the Tangible Deliverable.

2.4.3 Until ownership of Tangible Deliverable purchased by the Customer has passed to the Customer under clause 2.4.2, the Customer shall:

(A) hold the Tangible Deliverable on a fiduciary basis as CTE's bailee;

(B) store the Tangible Deliverable (at no cost to CTE) in satisfactory conditions and separately from all other hardware or asset of the Customer or a third party, so that it remains readily identifiable as CTE's property;

(C) not destroy, deface or obscure any identifying mark or packaging on or relating to the Tangible Deliverable;

(D) indemnify CTE and keep CTE indemnified in relation to any loss or damage caused to the Tangible Deliverable; and

(E) keep the Tangible Deliverable insured on CTE's behalf for its full price against all risks with a reputable insurer to CTE's reasonable satisfaction, and hold the proceeds of such insurance on trust for

CTE and not mix them with any other money, nor pay the proceeds into an overdrawn bank account.

2.4.4 The Customer's right to possession of Tangible Deliverable purchased by it before ownership has passed to it shall terminate immediately if:

(A) any of the circumstances set out in clauses 11.2.1 or 11.2.2 occur to the Customer;

(B) the Customer encumbers or in any way charges the Tangible Deliverable; or

(C) the Customer fails to make any payment of the Tangible Deliverable Charges to CTE on the due date.

2.4.5 The Customer grants CTE and CTE's Personnel an irrevocable licence at any time to enter the Premises or any other premises where the Tangible Deliverable is or may be stored in order to inspect it or, where the Customer's right to possession has terminated, to remove it. All costs incurred by CTE in repossessing the Tangible Deliverable shall be borne by the Customer.

2.5 Export restrictions

2.5.1 The Customer shall be responsible for complying with any legislation governing:

(A) the importation of the Tangible Deliverable into the country of destination; and

(B) the export and re-export of the Tangible Deliverable,

and shall be responsible for the payment of any duties on it.

2.5.2 CTE shall be responsible for arranging for the testing and inspection of the Tangible Deliverable at CTE's premises before shipment.

2.5.3 Each Party represents, warrants and undertakes that it shall not engage in any agreement, arrangement, practices or conduct which would be reasonably likely to result in a violation of any Sanctions which are applicable to the Parties or an activity under this MSA or a relevant Agreement. Each Party further acknowledges and agrees that any failure by a Party to comply with the provision of this Clause shall constitute a material and incurable breach of this Agreement for the purpose of Clause 11.

2.5.4 Notwithstanding any other provision, neither Party shall be required to undertake any action under this Agreement which would constitute a violation of, or would be reasonably likely to expose either Party to the risk of being designated as a target of, any Sanctions.

2.5.5 The Customer will not, directly or indirectly, use the CTE's products or services, or export,

re-export, transfer, or otherwise make available such products or services to any subsidiary, joint venture partner, or any other person:

- (A) in any country, region or territory that is, at that time, subject to comprehensive Sanctions defined in Clause 17.1 (including but not limited to Cuba, Iran, North Korea, Syria, the Crimea, Donetsk People's Republic and Luhansk People's Republic regions);
- (B) to facilitate, directly or indirectly, any activities or business of, with, or related to, any person who is a designated target of any Sanctions to the extent doing so would constitute a breach of such Sanctions or for any prohibited end-use; or
- (C) in any other manner that will result in a violation of any Sanctions by any person.

2.6 Warranty

- 2.6.1 CTE is not the manufacturer of the Tangible Deliverable and accordingly CTE shall use reasonable endeavours to transfer to the Customer the benefit of any warranty or guarantee given by the manufacturer to CTE.
- 2.6.2 CTE's Personnel are not authorised to make any representations or contractually binding statements concerning the Tangible Deliverable.

2.7 Licence of Software

- 2.7.1 If CTE refers to a software licence in the Order Form, the Tangible Deliverable Charges includes the licence fee for the Customer's right to use the Software.
- 2.7.2 If the Customer is provided with any operating system software licence in respect of the Software, the Customer shall sign and return it to CTE within five (5) Business Days of installation of the Software, unless the licence has been supplied on a "shrink-wrap" or "click-wrap" basis.
- 2.7.3 If no software licence has been provided to the Customer, the Customer hereby accepts a non-exclusive, non-transferable licence, terminable, [for the term of this Agreement] to use the Software for its own internal business purposes on the following conditions:
 - (A) the Customer shall not copy (except to the extent permissible under applicable law or for normal operation of the Tangible Deliverable), reproduce, translate, adapt, vary or modify the Software, nor communicate it to any third party, without CTE's prior written consent;
 - (B) the Customer shall not use the Software on any hardware or asset other than the Tangible Deliverable, and shall not remove, adapt or otherwise tamper with

any copyright notice, legend or logo which appears in or on the Software on the medium on which it resides;

- (C) such licence shall be terminable by either party on twenty (20) Business Days' written notice, provided that CTE may only terminate if the continued use or possession of the Software by the Customer infringes the developer's or a third party's rights, or CTE is compelled to do so by the developer or by law, or if the Customer has failed to comply with any term of this Agreement; and
- (D) on or before the expiry of this licence, the Customer shall return to CTE all copies of the Software in its possession.

3 Installation and Commissioning Services

- 3.1 In consideration of payment of the Installation and Commissioning Fees, CTE shall perform the Installation and Commissioning Services on the terms and conditions set out in this Agreement.
- 3.2 CTE shall use reasonable endeavours to manage and complete the Installation and Commissioning Services in accordance in all material respects with the Statement of Work.
- 3.3 CTE shall use reasonable endeavours to meet the commencement date and/or performance dates (if any) specified in the Statement of Work, but any such dates shall be estimates only and time for performance of the Installation and Commissioning Services shall not be of the essence.
- 3.4 CTE shall perform the Installation and Commissioning Services at the Premises. CTE shall procure that its Personnel shall, while on site at the Premises, comply with the Customer's reasonable health and safety and security policies provided that these policies have been brought to the attention of its Personnel.
- 3.5 CTE warrants to the Customer that:
 - 3.5.1 the Installation and Commissioning Services shall be performed:
 - (A) by an appropriate number of suitably qualified and experienced Personnel;
 - (B) using all reasonable skill and care; and
 - (C) in accordance with all applicable laws and regulations in force from time to time; and
 - 3.5.2 all components and hardware or asset supplied or used in the course of the provision of the Installation and Commissioning Services shall operate in accordance with their technical specifications.

4 Acceptance testing

- 4.1 The Customer will have three (3) calendar days following the Ready for Service Date to conduct tests to determine whether the Deliverable complies with the Acceptance Criteria (**Acceptance Testing**

Period) and to notify CTE that the Deliverable is accepted.

- 4.2 If no written notice is received from the Customer on expiry of the Acceptance Testing Period, the Customer will be deemed to have accepted the Deliverable.
- 4.3 If the Customer notifies CTE during the Acceptance Testing Period that the Deliverable does not comply with the Acceptance Criteria, CTE will promptly take such reasonable action as is necessary to correct any such non-compliance in the Deliverable and clauses 4.1 and 4.2 will apply.

5 Deliverable Operation and Maintenance Services

- 5.1 Subject to clause 5.4, in consideration of payment of the Deliverable Operation and Maintenance Fees, CTE shall perform the Deliverable Operation and Maintenance Services on the terms and conditions:

5.1.1 set out in the Operation and Maintenance Terms and Conditions; and

5.1.2 otherwise set out in this Agreement.

- 5.2 CTE shall perform the Deliverable Operation and Maintenance Services during the Operation and Maintenance Term at the Premises.

- 5.3 CTE warrants to the Customer that:

5.3.1 the Deliverable Operation and Maintenance Services shall be performed:

(A) by an appropriate number of suitably qualified and experienced Personnel;

(B) using all reasonable skill and care; and

(C) in accordance with all applicable laws and regulations in force from time to time; and

5.3.2 all components and hardware or asset supplied or used in the course of the provision of the Deliverable Operation and Maintenance Services shall operate in accordance with their technical specifications.

- 5.4 If the Order Form provides that maintenance of the Deliverable shall be the responsibility of the manufacturer of the Deliverable, the provisions of this clause 5 shall not apply and CTE shall have no responsibility or liability for any maintenance of the Deliverable.

6 Extra Services

- 6.1 In consideration of payment of the Extra Fees, CTE shall perform the Extra Services on the terms and conditions set out in this Agreement.

- 6.2 CTE shall use reasonable endeavours to manage and complete the Extra Services in accordance in all material respects with the specification for the Extra Services set out in the Order Form.

- 6.3 CTE shall use reasonable endeavours to meet the commencement date and/or performance dates (if any) for the Extra Services specified in the Order Form, but any such dates shall be estimates only and time for performance of the Extra Services shall not

be of the essence.

- 6.4 CTE shall perform the Extra Services at the Premises. CTE shall procure that its Personnel shall, while on site at the Premises, comply with the Customer's reasonable health and safety and security policies provided that these policies have been brought to the attention of its Personnel.

- 6.5 CTE warrants to the Customer that:

6.5.1 the Extra Services shall be performed:

(A) by an appropriate number of suitably qualified and experienced Personnel;

(B) using all reasonable skill and care; and

(C) in accordance with all applicable laws and regulations in force from time to time; and

6.5.2 all components and hardware or asset supplied or used in the course of the provision of the Extra Services shall operate in accordance with their technical specifications.

7 Customer obligations

- 7.1 The Customer shall:

7.1.1 be responsible (at the Customer's cost) for preparing the delivery location for the delivery of the Deliverable and the performance of the Services;

7.1.2 at all reasonable times permit full and free access to the Premises and to the Deliverable to CTE and its Personnel and provide them with adequate and safe working space, and any other facilities as are reasonably required, to enable CTE to perform the Services while at the Premises, including obtaining all necessary permits, authorisations, licences and consents for CTE and its Personnel to deliver the Deliverable and perform the Services at the Premises;

7.1.3 co-operate with CTE and provide CTE with any information that is reasonably requested in the delivery of the Deliverable and/or performance of the Services, and ensure that such information is accurate in all material respects;

7.1.4 keep an operational logbook as instructed by CTE; and

7.1.5 take any steps reasonably necessary to ensure the safety of CTE's personnel when attending the Premises.

- 7.2 The Customer agrees to act in a timely manner and to provide properly competent and qualified Personnel with respect to its obligations under this Agreement and to any tasks to be undertaken by it, whether expressly set out in this Agreement or otherwise reasonably requested of it by CTE. Delivery of the Deliverable and performance of the Services are provided on the assumption that the Customer and its Personnel will fulfil their obligations and tasks on time and as stated.

7.3 If, as a result of any act or omission by the Customer or its Personnel (howsoever caused) which is not directly and wholly caused by CTE (including the provision of any incorrect or inadequate information or data by the Customer), CTE is prevented or delayed from performing any of its obligations under this Agreement or the cost of such performance increases, then:

7.3.1 the time for performance of CTE's obligations will be extended for a reasonable period;

7.3.2 the Customer will be responsible at its own cost for storing the Deliverable until the Premises are ready for delivery or performance of the Services and/or nominating alternative premises; and

7.3.3 the Customer shall pay CTE on demand:

(A) at CTE's standard time and materials rates for any additional time spent and materials used by it with respect to any delays or extra work caused by such act or omission; and

(B) all other reasonable costs, loss or damage which it sustains as a direct result of such act or omission.

7.4 The Customer shall not either on its own account or in partnership or association with any person, firm, company or organisation, or otherwise and whether directly during, or for a period of six (6) months from, expiry or termination of this Agreement, solicit or entice away or attempt to entice away or authorise the taking of such action by any other person, any of CTE's Personnel who has worked on delivery of the Deliverable and/or performance of the Services provided under this Agreement at any time during the term of this Agreement.

8 Charges

8.1 The Charges shall be as stated in the Order Form as the same may be varied in accordance with the terms of this Agreement or, if relevant, the Hire Agreement.

8.2 The Charges are exclusive of all delivery, warehousing, packaging, packing, shipping, carriage, insurance, Taxes and other charges and duties, which shall be paid by the Customer in addition to the Charges (and in the case of Taxes at the rate and in the manner for the time being prescribed by law).

8.3 CTE reserves the right:

8.3.1 by giving notice to the Customer at any time before delivery of the Tangible Deliverable, to increase the Tangible Deliverable Charges of such of the Tangible Deliverable purchased by the Customer and as has not been delivered to reflect any increase in the cost to CTE which is due to any factor beyond the control of CTE (including any foreign exchange fluctuation, currency regulation, alteration of duties, change in legislation, significant increase in the costs of labour, materials or other costs of manufacture), any change in delivery dates, quantities or specifications for

the relevant Tangible Deliverable which is requested by the Customer, or any delay caused by any instructions of the Customer or failure of the Customer to give CTE adequate information or instructions;

8.3.2 to vary the Standard Operation and Maintenance Fees in accordance with the Operation and Maintenance Terms and Conditions; and/or

8.3.3 to vary the Charges for Hired Hardware and Asset in accordance with the relevant Hire Agreement.

9 Invoices and payment

9.1 CTE will issue an invoice in accordance with the timetable for invoicing set out in the Order Form or, in relation to any Hired Hardware and Asset, in accordance with the Hire Agreement.

9.2 Subject to clause 10, the Customer must pay all invoices in full:

9.2.1 within the time for payment specified in the Order Form or Hire Agreement or, if no such payment terms are so specified, within thirty (30) days of the date of the invoice;

9.2.2 in the currency specified in the Order Form or Hire Agreement; and

9.2.3 without any withholding, deduction, set off or counterclaim.

9.3 Time for payment of the price shall be of the essence of this Agreement and of any Hire Agreement.

9.4 CTE reserves the right at its sole discretion to appoint from time to time an Affiliate and/or a third party as its agent:

9.4.1 to issue invoices to the Customer on behalf of CTE; and/or

9.4.2 to collect and receive payments due under this Agreement or any Hire Agreement from the Customer on behalf of CTE,

and the Customer acknowledges and agrees to such arrangements.

9.5 In addition and without prejudice to any other remedies CTE may have, if the Customer fails to pay any amount when due, CTE shall without notice to the Customer be entitled to:

9.5.1 charge interest on the overdue amount from the date due until the date paid at the rate of 1.5% per month. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether before or after judgment. The Customer shall pay the interest immediately on demand by CTE;

9.5.2 terminate this Agreement or suspend any further deliveries of Deliverable to the Customer and/or performance of the Services;

9.5.3 net or set off amounts payable by CTE to the

Customer under this Agreement;

- 9.5.4 make a storage charge for any undelivered Deliverable at its current rates from time to time;
- 9.5.5 stop any Deliverable in transit; and/or
- 9.5.6 a general lien on all Tangible Deliverable and property belonging to the Customer, exercisable in respect of all sums lawfully due from the Customer to CTE. CTE shall be entitled, on the expiry of ten (10) Business Days' notice in writing, to dispose of such Deliverable or property in such manner and at such price as it thinks fit and to apply the proceeds towards the amount outstanding.

10 Billing disputes

- 10.1 If the Customer reasonably disputes any matter contained in any invoice, the Customer shall:
 - 10.1.1 pay the undisputed portion of the invoiced charges by the due date for the relevant invoice; and
 - 10.1.2 notify CTE in writing of the disputed amount providing the invoice number and reasonable details as to why the amount is disputed within twenty (20) Business Days of the date of the relevant invoice;

provided that this clause 10.1 shall not apply to any Charges payable under any Hire Agreement, which must be paid on time and without any deduction or set-off as set out in the Hire Agreement.
- 10.2 A dispute shall not be cause for delay of payment of the balance due, nor may it be grounds for the Customer to withhold payment of any undisputed amount.
- 10.3 In the event of a dispute, the parties will investigate the matter and use reasonable endeavours to resolve the disputed charges within twenty (20) Business Days of the notice of the dispute. If the parties are unable to resolve the dispute informally in good faith within those twenty (20) Business Days, CTE reserves the right to terminate this Agreement or suspend any further deliveries of Deliverable to the Customer and/or performance of the Services.
- 10.4 Following resolution of the dispute, the adjustment (if any) will be applied to the payment of the Customer's next invoice. If it is ultimately determined that the adjustment amount is payable by the Customer, CTE may (without prejudice to any other remedies CTE may have) charge interest on the adjustment amount from the original due date for payment of the disputed amount at the rate of 1.5% per month. Such interest shall accrue on a daily basis from for each day thereafter until actual payment is made, whether before or after judgment. The Customer shall pay the interest immediately on demand by CTE.

11 Termination

- 11.1 Termination of a Hire Agreement shall be in accordance with the terms of the Hire Agreement. Unless otherwise stated in the Hire Agreement,

termination of this Agreement will not terminate any Hire Agreement previously entered into between the parties under this Agreement, and each relevant Hire Agreement shall remain in effect until terminated in accordance with its terms.

- 11.2 Subject to clause 11.1, either party may terminate this Agreement:
 - 11.2.1 where the other party is in material breach of this Agreement and that breach is not remedied twenty (20) Business Days after the breaching party has received notice to do so;
 - 11.2.2 on notice to the other party where the other party suffers an Insolvency Event; or
 - 11.2.3 where a Force Majeure Event continues for more than twenty (20) Business Days.
- 11.3 If during the term of this Agreement, any government agency enacts any law or regulation, imposes any requirements or restrictions, or takes any other actions, which, in CTE's sole discretion, causes CTE to be unable to perform its obligations under this Agreement, the Parties shall, at the request of the CTE, enter into good faith negotiations with the objective of amending the terms of this Agreement to the extent permissible under the relevant law or regulation, requirement or restriction, or government action. If the Parties cannot reach a reasonably acceptable modification within one (1) month of the CTE's request, either Party shall have the right to unilaterally terminate this Agreement without liabilities by giving one (1) month written notice to the other Party.
- 11.4 On termination of this Agreement by either party for any reason:
 - 11.4.1 all Confidential Information of a party must on the request of a party be destroyed or returned to that party by the other party;
 - 11.4.2 the Customer must return all of CTE's hardware, asset and materials, failing which, CTE may enter the Premises or other relevant premises and take possession of them. Until these are returned or repossessed, the Customer shall be solely responsible for their safe-keeping;
 - 11.4.3 all outstanding charges and invoices which have yet to be paid must be paid by the Customer;
 - 11.4.4 accrued rights and obligations of a party are not affected; and
 - 11.4.5 clauses 1, 2.4, 11.4 11.5, 12, 13, 14.1, 14.2, 15 (excluding clause 15.1) and 16 will survive termination.
- 11.5 On termination of this Agreement:
 - 11.5.1 by CTE in accordance with clause 11.2.1 or 11.2.2; or
 - 11.5.2 by the Customer for convenience where permitted by this Agreement,

the Customer must pay CTE the Termination Fee in addition to any outstanding charges payable pursuant to clause 11.4.3. The parties agree that the Termination Fee has been calculated as, and is, a genuine pre-estimate of the loss likely to be suffered by CTE.

12 Liability

- 12.1 Each party accepts liability to the other party in connection with this Agreement as set out in this clause 12.
- 12.2 Subject to clauses 2.3.2, 2.3.5, 12.3, 12.6, 12.7, 12.8 and 12.9, a party's maximum liability to the other party for Loss suffered or incurred in connection with this Agreement is limited in aggregate to 100% of the Charges paid under this Agreement.
- 12.3 A party's liability to the other party for Losses under clauses 12.4 and 12.5 is not limited by clause 12.2.
- 12.4 The exclusions and limitations on a party's liability in this clause 12 do not apply in the case of (i) fraud or fraudulent misrepresentation by it or its employees; (ii) death or personal injury caused by its or its employees' negligence; or (iii) a breach by that Party of obligations implied by section 12 of the Sale of Goods Act 1979 or section 2 of the Supply of Goods and Services Act 1982; or (iv) under any indemnities in this Agreement; or (v) for non-payment by that party of any fees, charges and/or amounts owing to the other party; or (vi) any other liability that cannot be excluded or limited under the relevant applicable law.
- 12.5 The Customer indemnifies CTE for all Loss suffered or incurred by CTE arising from:
 - 12.5.1 any claim from its Personnel;
 - 12.5.2 any claim from any End User or its Personnel; and
 - 12.5.3 any breach of any law or regulations by the Customer or its Personnel.
- 12.6 To the extent possible, CTE excludes any and all liability to End Users except to the extent that the Customer is the End User.
- 12.7 Other than for liability under clauses 12.4 and 12.5 or for any liability which may not be limited by applicable law, each party excludes any liability for any Consequential Loss suffered or incurred in connection with this Agreement.
- 12.8 To the extent possible, CTE excludes all conditions and warranties implied into this Agreement and limits its liability for any non-excludable conditions and warranties, where permitted by law to do so, to (at CTE's option) repairing or replacing the relevant goods, or resupplying the relevant or equivalent services.
- 12.9 CTE excludes all liability to the Customer for its failure to perform the Operation and Maintenance Services in accordance with the Service Levels. The Customer's sole remedy for any failure of the Operation and Maintenance Services to meet the Service Levels is the provision of the Service Credits.

13 Confidentiality and Data Privacy

13.1 Each party must:

- 13.1.1 keep the other party's Confidential Information confidential;
- 13.1.2 not use or exploit the other party's Confidential Information in any way except in connection with its rights and obligations under this Agreement; and

 - (A) to its Personnel and Affiliates who have a need to know for the purposes of this Agreement; or
 - (B) as required by law or a governmental or other regulatory authority (including any relevant securities exchanges), court or other authority of competent jurisdiction, provided that, to the extent it is legally permitted to do so, it gives the other party as much notice of this disclosure as possible and, where notice of disclosure is not prohibited and is given in accordance with this clause 13.1.3(B), it takes into account the reasonable requests of the other party in relation to the content of this disclosure.

13.2 Confidential Information does not include any information that:

13.3 Each party shall comply with its respective obligations under all applicable laws and regulations relating to use of personal data and privacy in relation to all personal data that is used by it in the course of performing its obligations under this Agreement.

14 Intellectual Property

14.1 The Customer acknowledges that all Intellectual Property Rights used by or subsisting in the Deliverable and in any and all materials, hardware, asset and tools, drawings, specifications and data created or supplied by or on behalf of CTE while providing the Services are and shall remain the sole property of CTE or (as the case may be) its licensor(s) or other third party rights' owner(s), and the Customer shall not at any time make any unauthorised use of such Intellectual Property Rights, nor authorise or permit any of its Personnel or any other person to do so. The Customer shall keep the same in safe custody at its own risk and maintained and in good condition until returned to CTE, and shall not dispose of or use the same other than in accordance with CTE's written instructions or authorisation.

14.2 In relation to the Software:

14.2.1 the Customer acknowledges that it is buying only the media on which the Software is recorded and the accompanying user manuals;

14.2.2 nothing contained in these conditions shall be construed as an assignment of any Intellectual Property Rights in the Software or user manuals;

14.2.3 the Customer shall be subject to the rights and restrictions imposed by the owner of the Intellectual Property Rights in the Software and user manuals, and shall comply with all licence agreements, terms of use and registration requirements relating to them; and
